

TE1600 PCB printboard thermocouple socket

Application	
Connector	Thermocouple and RTD circuits
Design	For soldering onto printed circuit boards
Materials	Glass filled thermoplastic body with original thermocouple material contacts
Soldering contacts	Brass soldering contacts for soldering on the PCB
Temperature rating	
Temperature limit	Maximum 200°C
Construction	
Body	Glass filled thermoplastic material
Design	Rugged one body design
Molded barriers	Prevent short circuit
Versions	
Available versions	Flat mounted (F)Rear connection (R)Square connection (S)
Color code	

Ordering code
